

When You Go To
P A R I S

*A modern day hippies
way to explore
Paris
on a budget!*

*It's never been so easy
or affordable to go to Paris!*

*So grab a friend or a
family member and get ready
for the trip of a lifetime!*

When You Go To
P A R I S

You'll probably
fly through the night

It's good to
have a travel
guide
and lots of
maps

WELCOME

Paris is one of

TOP REASONS

- ★ Iconic Landmarks
to the Arc de Triomphe
- ★ CHIC Shopping
Rue St-Hippolyte and
- ★ HEAVENLY FOOD

*It will be early
morning*

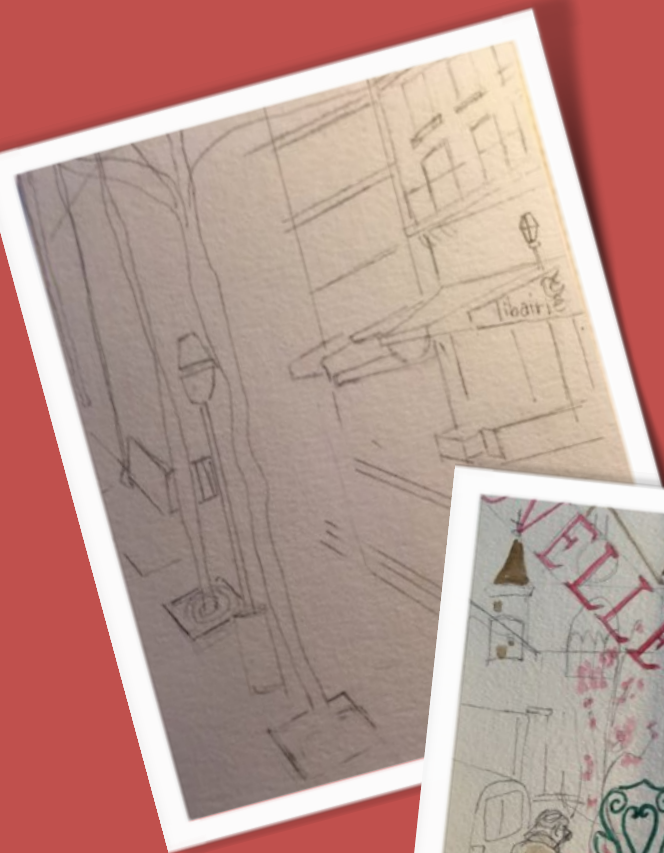

and you might not be able to get in
your hotel room,
although they'll probably hold your luggage.

*You'll want to explore
your neighborhood*

There's lots of churches
and gardens to explore ~ This
pretty little garden was a short
cut to my apartment!

Un amour de lingerie.

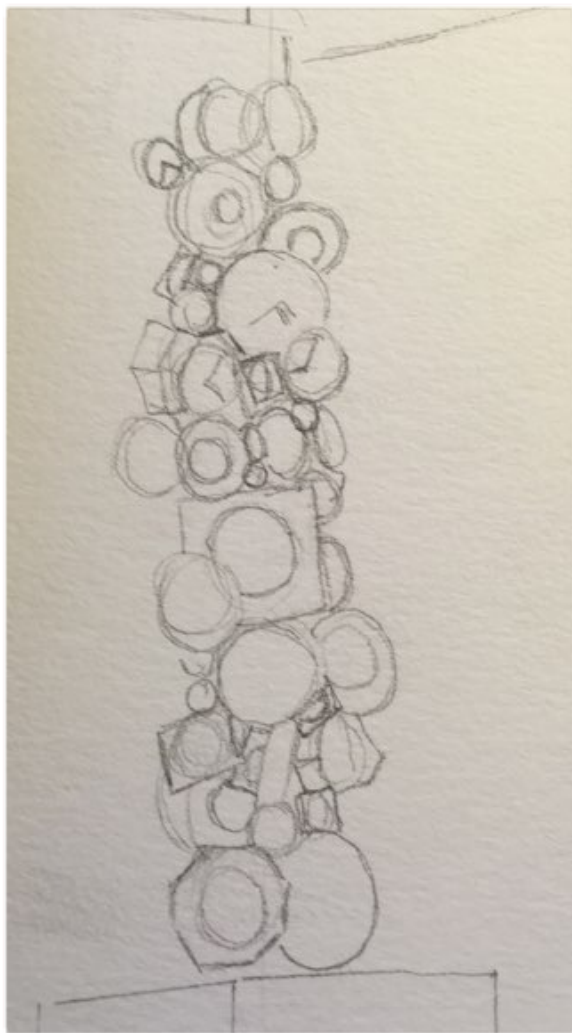

A hand-drawn architectural sketch of a gallery entrance. At the top, two windows are shown: the left one has a decorative wrought-iron balcony, and the right one is a multi-paned window with a decorative base. Below the windows is a large rectangular area labeled 'GALERIE NICOLAS FLAMEL'. At the bottom, there is a detailed sketch of an interior space with a chandelier, a long table, and several chairs.

*Make sure you buy lots of
flowers for your room, they're
surprisingly affordable*

*You will feel like a Parisian if
you have a picnic lunch while
listening to live music on the steps of
the Académie du Music*

In 2016, gas hit a low of \$1.79, and when Expedia offered a bundle for a studio apartment and roundtrip airfare so low, Jackie Marie Beyer couldn't resist!
